Travel Clinics Australia – Matraville has been an associate member of the Travel Clinics Australia group since 2001. The group is the largest provider of travel medicine services in Australia with over 50 clinics nationally!

- In our clinic we will provide you with all the necessary travel medicine related items you will need for your travel.
- We are an approved provider of yellow fever vaccination.

The Travellers Pocket Medical Guide with International Certificate of Vaccination / Prophylaxis is also included.

Please book on-line for an appointment

Our consultation fees are determined by the amount of time you spend in the travel clinic. Fees are billed per person, per appointment. You may be able to claim a portion of these fees back from Medicare. If you have private health insurance you may be able to claim a portion of the vaccination / medication fees back from your health fund.
